**AMENDED MEMORANDUM OF LAW IN SUPPORT OF MOTION OF THE
DEFENDANT, OCEAN STATE PAIN MANAGEMENT, P.C., FOR ENTRY OF
DISMISSAL OF PRODUCT LIABILITY CLAIMS FOR FAILURE OF PLAINTIFFS TO
FILE A TIMELY OPPOSITION PURSUANT TO RULE 7.1**

The Defendant, Ocean State Pain Management, P.C., in United States District Court, District of Massachusetts, Civil Action No. 1:13-cv-10685-RWZ, respectfully requests that this Honorable Court allow the Defendant's Motion to Dismiss Product Liability Claims of the Plaintiffs previously filed and served on the Plaintiffs on November 6, 2015 due to the Plaintiffs failure to file a timely opposition as required under U.S District Court Local Rule 7.1(b)(2).¹ Grounds in support of this motion are set forth below.

PROCEDURAL BACKGROUND²

The Plaintiffs alleged through a Short Form Complaint and Jury Demand, filed in the United States District Court of Massachusetts on February 14, 2014, that the Defendant failed to

¹ The Defendant had cited to the Federal Rule instead of the U.S. District Court Local Rule in its initial filing (Docket No. 2602).

² Please refer to Docket No. 2388 for an unabbreviated history of the case. For efficiency, only facts relating to the Defendant's previously-filed motion are included here.

take due care in choosing the appropriate entity from whom to obtain preservative-free MPA. See Plaintiffs' Short Form Complaint and Jury Demand, Civil Action No. 1:13-md-10685-RWZ, Docket No. 5 (incorporating by reference the allegations in Plaintiffs' Second Amended Master Complaint, Civil Action No. 1:13-md-2419-RWZ, Docket No. 1719). The Plaintiffs' Short Form Complaint stated that it incorporated by reference claims of negligence, battery, product liability, agency, and civil conspiracy against the Defendant. Id.

On November 6, 2015, the Defendant moved this court to dismiss the Plaintiffs' claims alleging product liability pursuant to Fed. R. Civ. P. 12(b)(6), arguing that the Plaintiffs had failed to state claims upon which relief could be granted. See Motion of the Defendant to Dismiss Product Liability Claims of the Plaintiffs and Memorandum in Support, Docket No. 2388. The motion and memorandum of law were filed on the electronic master docket for In re: New England Compounding Pharmacy, Inc., Products Liability Litigation, Civil Action No. 1:13-md-2419-RWZ. Id. Additionally, a hard copy of the motion was sent to plaintiff's counsel via mail, and an electronic copy was provided via e-mail at counsel's request.

LEGAL ARGUMENT

Pursuant to U.S District Court Local Rule 7.1(b)(2), "a party opposing a motion, shall file an opposition within fourteen (14) days after the motion is served, unless (1) the motion is for summary judgment, in which case the opposition shall be filed within 21 days after the motion is served, or (2) another period is fixed by rule or statute, or by order of the court...The fourteen day period is intended to include the period specified by the civil rules for mailing time and provide for a uniform period regardless of the use of the mails."

The Defendant filed its motion on November 6, 2015 after conferring with counsel for

the Plaintiffs by telephone as required by Rule 7.1(a)(2). See id. As of the date of today's filing, January 26, 2016, eighty-one (81) days have passed since service of the Defendant's motion. The Plaintiffs have failed to file an opposition to the Defendant's motion as required by Rule 7.1(b)(2), and the applicable filing deadline has long since elapsed. In contrast to other MDL plaintiffs, Craig and Joan Simas, who elected to confer with the Defendant and file a Joint Stipulation for Extension of Time to File Opposition to Docket No. 2390 Motion to Dismiss Product Liability and Consumer Protection Claims, the Plaintiffs in the instant case failed to take any such action. See Docket No. 2423.

Given the Plaintiffs' failure to file an opposition to the Defendant's motion within the 14 days allotted by Rule 7.1(b)(2), the Defendant requests that the Court enter an Order dismissing all of the Plaintiffs' product liability claims with prejudice. The Defendant requests that the Court review and endorse the attached Order, attached hereto as Exhibit A, or in the alternative, draft an Order as the Court deems appropriate.³

CONCLUSION

For the foregoing reasons, the Defendant respectfully requests that the Plaintiffs' product liability claims be dismissed with prejudice due to the Plaintiffs' failure to file a timely opposition.

³ The Defendant has attached an Order mimicking the format of Docket No. 2536-1 in which the Court dismissed with prejudice the product liability claims asserted against the Premier Defendants due to Plaintiffs' failure to file an opposition.

Respectfully submitted,
